These 2 additional questions, not found in the exam booklet are designed to make the student dig into the Biblical text and show they understand the Biblical principles studied throughout the course.

#### **Questions 1 – Explain the steps that Herod took to *murder his conscience* (see ch. 4).**

##### **1 - POSSIBLE ANSWERS**

Herod was convicted by the ministry of John the Baptist. John's preaching was a message of repentance, but Herod was not ready to repent. He had a sin that did not wish to let go of yet, so he hardened his heart and silence the voice that convicted him, further searing his conscience to the extent that when he comes face with Jesus, he has no hint of regret or remorse. He merely wanted a miracle, but not repentance.
