BLESSINGS FROM PRISON

October 2022: Vol. 40, No. 10

Celebrating 40 years of God's Faithfulness in Prison Ministry

Nothing but Good News,

Good testimonies, and

Good fellowship!

Even in prison, I am free!

“I would sincerely like to thank you for what your ministry has brought me – GOD! I began reading my Bible again and after about six months I went to my friend and asked him to pray with me, to show me how to ask God to save me. He showed me the only way was to believe in Jesus with all my heart and soul and ask for His grace to save me. I did that last year on my birthday, 2 Oct, for a real re-birth, not only physically, but spiritually. I have been saved now over one year and it is glorious! God has shown me so many things. Even in prison, I am free! Thank you for these courses. They are helping me develop more and more in my new life. God blesses me daily. He wakes me every morning and puts me to sleep every night. His grace is in His love for me.” **Vernon**

How to be a disciple for Christ

“I want to thank you, Write-Way, for the Bible study courses you have sent me. Your courses have helped me so much on how to be a disciple for Christ and also how to be a true Christian. I am thankful to have gained a lot of knowledge through the study of your courses. God bless you and everything you do for the kingdom of God.” **Karina**

94 at Dallas BBQ Dinner on October 1. An earnest and clear testimony from Xaviar Bland and a challenging message from Emmaus Prison Director, Al Stoltz, set the tone for grateful fellowship. A Houston area BBQ dinner will be held in Humble on Saturday, November 5. RSVP at 281-753-5956.

Manna in the desert

“God bless you all! Thank you so much for your support and fellowship. I have leaned on these studies straight from the Lord like the manna in the desert, the honey in the forest, and the water from the Rock. Because of Write-Way Ministries’ studies, I feel like the blind man in Mark 8 who first saw trees and then clearer. I have learned that to be a genuine Christian is a process of the Lord’s grace imputed from faith to faith and then my decision to accept and believe. With Write-Way, I didn’t skip steps. With the guidance of the Holy Spirit, I can do it the right way!” **Michael**

OUR MISSION

To introduce Jesus Christ to each incarcerated person in TX, LA, MS, and NM through a curriculum of English and Spanish Bible correspondence courses that are free, postpaid, and volunteer counseled.

Bible studies have really helped

"I want you to know these Bible studies have really helped me learn more about the Bible which is something I have always wanted to do. I really believe prison ministries should be something in all jails in America because people walking with the Lord do not commit as many crimes. Makes sense (ha, ha). It's best to try to save as many non-believers as possible, right? Anyway, this road to recovery has been a struggle for real. But knowing I've got God and I'm very blessed, I can recover and lead a good life. I just don't want to let down anymore the people who love me. If I can help anyone in my recovery process, that's what I am going to set out to do. I'm definitely ready to be happy and with my family again. Maybe I will meet the man of my dreams." **Jessica**

Going home soon

"I just want to thank you for everything that your ministry does for me. I really appreciate all the helpful Bible studies you have sent me. It has been very helpful in my walk with Christ. I'm not going to lie; life at times does get hard while being incarcerated. But the Bible studies that you send give me the hope and strength and wisdom that I need. I'm writing to ask if you could please send me the study titled, *How to Succeed on the Streets*. I will be going home soon and would like to have that knowledge before I go back out into the world."

Damien

He is gooder than good

"Hallelujah! Jesus Christ rolled the stone away and He lives. We are His and it is His voice we listen to. He's the true King of kings and Lord of lords. He is gooder than good and more than worthy of our most sincere and genuine, praise, worship, and honor. He's faithful, loving, and righteous. We love because of Him and our lives are His." **Keashia**

You all do an amazing job

"You all do an amazing job and are one of my favorite Bible study set-ups that I have found. I love how your studies break down the Bible to show me different views I had not seen before. Thank you for what you do." **Matthew**

Your diligence in finding me

"Greetings and may the grace of God be upon you. At the time of your inquiry, I had been diagnosed with a very rare heart condition. I went into seclusion and just wanted to be alone and not do anything. I really appreciate your diligence in finding me. I've finally gotten past all my hospital visits for the time being. Could you resend the courses? The administration here lost my property." **Andre**

Love to show these women

"Since doing this study [*Guide to Christian Growth*], God has touched my heart deeply. I wrote in one of the questions for God to show love towards these women in here. I can honestly say God has given me plenty of love to show these women. He has shown me His love towards me. Thank you, Lord, for hearing my prayers, no matter how bad or foul words come out of these women. I can only pray for them and do my best to preach them the word and give them a smile and lots of love." **Lydia**
