BLESSINGS FROM PRISON

February 2022: Vol. 40, No. 2

February: short on days; full of praise

“This is my last core class in Emmaus Bible studies. I have been with Write-Way for a little over four years! I have treasured each and every study book in God’s holy Word and I have grown to spiritual maturity and continue to do so. **The love I have received from everyone at Write-Way has made me feel I am a valued member of the Body of Christ!** I always looked forward to receiving my exams back with each and every one graded and commented on with encouraging, correcting Scripture and words of encouragement from my graders, my mentors, my brothers and sisters in Christ. My experience with Write-Way will always remain in my heart and mind!” **Michael S**

“I might be going home soon; please pray I do go home. I have truly enjoyed doing your Bible course through the years. They have helped me to know God in ways I didn’t know about. **My life is truly changed.** It does very sadden me to know I am at the end of this journey with you. You are my brothers and sisters in Christ. **Thank you for such a most wondrous journey.** I plan to use what I have learned to teach my friends, children, and now, grandchildren. May God bless your ministry. With many tears, **James.**” [Courses shipped home.]

“I am sending this letter to say, Thank you. Thank you for taking the time to care for a lost soul searching for a better way. I’m not good at showing my feelings, but I am trying (because of you). Please keep on showing this type of love; trust me, it shows bright, when the skies seem to be the darkest.” **George**

“It is with great appreciation that I write this letter to acknowledge the inspiration and benefits received from the study of course material I’ve been privy to. **These lessons have been a huge influence in writing and publishing of my first book, *Let Us Consider*,** soon to be released through Amazon, Barnes and Noble, and Ingram Books. Thanks to all the commenters, instructors, and staff.” **Isaac Barlow**

“You all should know I am a different man because of your help. These studies are a key to my salvation and what it means to have salvation and what it means when you’ve been sentenced to life behind bars. You feel it’s over, that this is what’s going to be the rest of my life. But I was wrong.

“**Jesus had just made my heart explode.** I thought I knew what love was. Well, I was just getting started, thanks to you all. At 60 years old I am young again. God is working me over. Oh, well, I could write all day about what these studies have done for me.” **Michael R**

“Thank you all for the studies and the time it takes to send them. I’m learning more and more about our Lord Jesus and about myself. Also, it takes me out of this place I’m in. Love you all.” **Dustin**

OUR MISSION

To introduce Jesus Christ to each incarcerated person in TX, LA, MS, and NM through a curriculum of English and Spanish Bible correspondence courses that are free, postpaid, and volunteer counseled.

“Thank you for the encouraging words and certificate. Doing these Bible studies have helped me grow as a man of faith, learning to trust and depend on God for everything in my life. Before I came to prison, I was not an angel in society. And the good I did do was as filthy rags to Christ. But because of my faith in Jesus Christ, God has declared that I am a child of God, forgiven, and free in spite of being incarcerated and convicted. You guys have no idea of **the powerful, positive impact your ministries have on our lives.** May God continue to bless and enlarge your territory.” **Derrick**

“Thank you to Write-Way Prison Ministries for providing the free Emmaus Bible study courses. I enjoy reading and completing these courses and really learn a lot in the process! As a result, I feel satisfied by a sense of accomplishment; but more importantly, I know I am growing closer to God. **This is an awesome experience for me** that is long overdue. Thank you for your help and I appreciate you for being my instructor and for your encouraging words!” **Clifton**

“I would just like to say, thank you to all at Write-Way Prison Ministries for what you do in spreading the Word to us in here. I’m very young compared to a lot of women in here, but I feel that **God is giving me a chance to take the time and really get to know Him and re-evaluate my choices in life.** So, I’m very excited for these Bible studies and look forward to what He has planned for me in this.” **Lidia**

“The reason of my letter is to thank you for all the effort that you all are doing reaching souls in these places where there is so much need of the Word of God. I used to be in Dallas County for one year and a half; I was moved to Holliday two months ago. My mother’s name is Armida, a daughter of the Lord. She always gives me words of hope. She tells me not to be afraid and do not dismay, because we are not alone. We have an Almighty God. **I always rejoice in the Presence of my Lord when I receive your studies.** They are a great blessing to me. I know our God will supply everything you need for this ministry.” **Hector** (Spanish)

“I am so enjoying this course. It is very inspiring. It helps with what I don’t know. Then I came across those things that I have read and studied and recognize them. In the last few months, **I have read my Bible from front to back three times** and am on my fourth. I learn something new every time. The new *Walkin’ the Walk* study I just finished was a big slap in the face on those things I need right now. Every study always opens my eyes more and more. I am so happy to have them. Thank you for your help. I will say many, many prayers for you.” **Ronald**
