NEWS LETTER

Dear Friends,

May 2013: Vol. 31, No. 05

BLOOMING FOR GOD

“I am writing to share with you some of the things God has been doing in my life and much of it came through this ministry. I have been involved in the courses for almost three years now. I have completed my Bachelors degree in Biblical Studies, a Masters degree in both Ministry and Divinity, and also a Doctorate in Ministry. God has done what I thought to be impossible in such a short time. There is more, but suffice it to say, that through your work God has done and will continue to do what no one else can – the daily miracle.

“Thank you for your diligent service to me and the many others. I have referred you to many and I see the booklets in many other hands as well now. Keep up the good work of the High Calling of Christ our Lord!”

“Because of these lessons I’ve been able to help people I was raised in church with to know of God. Now I know Him for myself.”
Michealle

“I will never forget you because you have been such a wise counselor to me and I know that God has put you in my life to help me in my walk. I have been studying God’s Word, but not only studying. I have been trying to live it in my life so that I may honor Him in this temple of His. I want to lean on God and look to Him for my every need because I know that He truly loves and cares for me.

“God has truly blessed me with wise counselors serving the Lord. Thank you for being so patient with me and I pray the Lord will continue to bless us all in our walk.”
Gary J.

BLOOMING FOR GOD

“I can’t help but feel this continual need to express to you my sincere thanks and gratitude for your involvement in my salvation and growing in my relationship with my Savior Creator. I love Him, love His creation, and love His will in my life. He has made this way through His blood to salvation and eternal life. At times I feel like screaming at the top of my lungs, ‘Why hasn’t anyone ever told me about this before?!’ Regardless of the timing, I love Him, He loves me, and He has brought us together.”

“I am writing in regards of your Bible study course. I was informed that your study course is one of the best. I sure would appreciate it.”
Wesley

“Thank you so much for your time, support, and free publications. I’ve already learned so much!” [Only just completed *Greatest Man Alive.*]

“I would like to wish each of you a special thanks for being there as a blessing for the God that I serve who is an awesome God. Glory be to the King of Kings for blessing me with this team of support in my walk on Jesus Christ’s path.”
Otis

“I’m trying to learn about God and how to do His work. I have been running from God for too long and God keeps pulling at me. I can feel His tugs. But I’ve always tried to do things my way; now I’m trying to learn how to do things His way. I was told by my girlfriend that your studies are real helpful. Please send me the first of your life-changing studies.”

BLOOMING FOR GOD

“We’ve been on lockdown for five weeks – another chapter in my life. I still want to continue my correspondence courses. It’s the only thing that keeps me sane enough to bear another day!” **Melvin**

“Thank you for your letter to me and the certificate that came with it. I dedicated my life to Jesus in county jail on August 23, 2010, five days after I got arrested. I now intend to live my life for Christ for the rest of my life. I lived my life up until now my way and I ended up in here. So I live my life His way from now on. I truly give my life to Him who loves me enough to die for me. I really enjoy your Bible courses.” **Gary L.**

“I just want to thank you for your time and concern for my soul and spirit. Yet I do struggle from day to day with the flesh, but daily I read God’s Word and try to walk a Christ like walk. I surround myself with other believers and brothers in Christ. Together we pray for one another to strengthen our walk and for God to continue to build our faith in Him.” **Joe**

“As always, I thoroughly enjoyed your choice of material with regards to the content of *The Messianic Psalms*. I have been enlightened first of all that these Psalms had been designated as such and secondly that Jesus had been quoted in these Psalms. It is as if a light has been turned on in my head and I am grateful. It has been my pleasure once again to have been permitted to continue in your program.” **Neal**
