## SIGNS AND WONDERS

In Hebrews 2:4, it is stated that God used signs and wonders to authenticate the early preaching of the Gospel. This was in days before the complete Word of God was available in written form. Spirit. The Holy Spirit indwells the body of Christ so that the life of the Lord Jesus Christ can be made known to the world. Believers live in this world to represent the One Who loves them and gave His life for them. His Spirit has been sent into the lives of the believers in order to enable them to do so. It is now through Jesus that all believers have access by one Spirit to the Father. He who honors the Son honors the Father.
