

Upon successful completion of 36 and 48 units, beautiful (8 1/2 x 12") certificates are issued by the Emmaus Correspondence School. WPM does not offer courses beyond 65 units, but at its discretion, Emmaus Correspondence School may allow the student to continue beyond that level. This plan gives the student incentive to keep on with the studies. Our graduates stand as a tribute to the more than 400 counselors who give of their time and talents to encourage students and to edify them in Christ. They are also a tribute to those who spend long hours without pay: some ministering in a business way, some donating needed goods, some giving financially, and some upholding WPM in prayer. We praise God for this high-water mark in an inmate's rehabilitation.

During the period January through July 2013, students completed the following levels and were awarded special certificates:

36 units – 133 students

48 units – 97 students

The following students completed the WPM curriculum and have been transferred to ECS for further studies.
